

# Happening

Within the Exhibition *Interwoven Coasts: Art as Dialogue in the East Asian Mediterranean*

## Interwoven Bodies: Ode to the Living

**Fujii Gallery, Ito Campus  
Kyushu University, Japan**

**December 9 & 16, 2025**

**10h-11h**

is a participatory Art-Yoga performance inspired by East Asian coasts. Through walking meditation, soundscape, and danced gesture, the exhibition becomes a living space of art—where bodies, voices, and spaces weave together in an ode to life.
